This matter opened before the State Board of Medical Examiners (Board) upon the filing of an Administrative Complaint against Chong H. Park, M.D. (Respondent) on January 18, 2007. The Complaint alleged that Respondent inappropriately prescribed human growth hormone to three patients by prescribing hormones without legitimate medical justification, without appropriately monitoring or treating the patients for side-effects caused by the medication and without maintaining proper medical records.

Without making any admission of wrongdoing, Respondent consented to a Final Consent Order filed by the Board on August 13,

CERTIFIED TRUE COPY

2008, which required Respondent to be suspended from the practice of medicine for a period of two (2) years, with the first six (6) months of suspension to be served as a period of active suspension, and the remaining period to be stayed and served as a period of probation, contingent on Respondent's compliance with all the terms of the Final Order.

Respondent appeared with counsel, Jonathan J. Lerner, before a Committee of the Board on March 25, 2009, and submitted proof that he successfully completed a Board approved ethics course, paid all of his penalties, fines and fees and has fully complied with all other aspects of the August 13, 2008 Final Order. Respondent now seeks leave to reinstate his license to practice medicine and surgery in the State of New Jersey. The Board finding that Respondent appears to be remorseful regarding his previous conduct, has satisfied all aspects of the August 13, 2008 Final Order and that the within disposition is adequately protective of the public health, safety and welfare, and it appearing that good cause exists for the entry of the within Order,

IT IS THEREFORE on this 9th day of July, 2009, ORDERED:

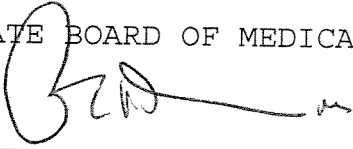

1. Chong H. Park, M.D. is hereby granted a license to practice medicine in New Jersey on the following terms and conditions:

A) The remainder of Dr. Park's suspension shall be stayed and served as a period of probation until August 13, 2010.

B) Dr. Park shall continue to permanently cease and desist from prescribing any hormones, anabolic steroids or anabolic agents to any of his patients.
